A big warm  
*Hello*  
to all of you

SABRINA LUZ  
PHOTOGRAPHY

My name is *Sabrina*  
& I'm the girl  
behind the lens.

A long time ago I fell in love with photography after my first photography course and in 2009 I decided to go for it and Sabrina Luz photography was born.

I spend most of my days photographing, editing, creating, meeting new families and love every minute of it.

For me, what I do is so much more than just a job, it's something

I picture myself doing for years to come because it allows me to be part of something so special and meaningful, and I honestly couldn't imagine doing anything else.
