A big warm
Hello
to all of you

SABRINA LUZ
PHOTOGRAPHY

A long time ago I fell in love with photography after my first photography course and in 2009 I decided to go for it and Sabrina Luz photography was born.

I spend most of my days photographing, editing, creating, meeting new families and love every minute of it.
For me, what I do is so much more than just a job, it's something
I picture myself doing for years to come because it allows me to be part of something so special and meaningful,
and I honestly couldn't imagine doing anything else.
