FAQ

WHAT CAN I EXPECT FROM MY SESSION?

Maternity sessions are a celebration of this special time in your life and I love to include personal elements for you and your baby in your portraits to ensure images are unique to you. We will start with some relaxed, hygge style images to help you feel at home, followed by some gorgeous silhouettes and traditional images too.

WHEN SHOULD I BOOK MY MATERNITY SESSION?

You can contact me as early as 12 weeks into your pregnancy to discuss having a maternity session with me and we can book you in as soon as you decide I'm the photographer for you!! Dates can fill up fast, especially if you are booking a newborn session at the same time, so it's good to secure your booking a few months before your due date (at least) so that you don't miss out.

CAN MY PARTNER AND OTHER CHILDREN BE INCLUDED IN THE PHOTOS?

Yes! I love involving siblings and partners in the photos. However it may be preferable to have someone bring your other children towards the end, or at the beginning, of the session to ensure you can relax and enjoy having a bit of time focusing on your bump.

CAN I TAKE MY OWN PHOTOS?

If you have someone with you, they are welcome to take a couple of behind the scenes photos of me photographing you during your session to remember this special time, however these shouldn't be close ups as these are the images you have paid me to take and a phone photo will not do them justice!

DO YOU EDIT THE IMAGES?

During your session, I will likely take around 100-200 photos. This consists of numerous angles of each pose and often very similar images, re-takes due to blinks, focusing on different areas and so on. Using my creative discretion, I only delicately edit the very best images including removing unsightly blemishes, colour correcting, detail enhancing and creative development to create the final portrait.

HOW LONG DOES IT TAKE BEFORE WE CAN SEE THE PHOTOS?

Within 1 week of your session you will receive an email link to an online, password-protected gallery full of beautiful images from your session. These will have a basic edit on them for viewing purposes to allow you to choose your favourites and let me know those you'd like to order.

Is there any advantage for me if I book newborn and maternity sessions together?

Yes! 20% OFF with the maternity and newborn photo session

How should I prepare for my maternity session? Will you help?

Absolutely! As your maternity photographer I am here for you each step of the way so you can relax and enjoy the process. Planning is actually where the fun begins! I have put together a written Session Guide which you will receive upon your booking. I'd love to talk with you over the phone. During this consultation I want to learn more about you and your family. We will also discuss clothing, location, special shots and any desires and ideas you might have.

Im not sure I want to do a maternity session and worried I don't know how to pose, Im not sure I feel up to it?

Now, go easy on yourself!! Unless you pose for photos for a living, I expect that you might feel a little awkward at first. Or a lot! Don't worry, though. I will take charge, redirect as needed and you should be able to relax very quickly. And you will have fun, I promise!

What is your cancellation policy?

A deposit fee is required for bookings.

All deposit fees are non-refundable if the client initiates cancellation.

If you are unable to keep your appointment, I ask you to notify me at least 48 hours before your scheduled session. Your deposit will be applied to your rescheduled session.

We allow one complimentary reschedule (to be completed within 60 days of your original session date) provided you give us 2 days notice. If you give us less than 2 days notice, your session will be canceled and your deposit will be forfeited. Once you've used your one complimentary reschedule, a \$100 fee will be required for each reschedule after that.

What about rain or bad weather?

If weather conditions prevent us from shooting outside, we'll move indoors. If shooting indoors isn't consistent with the creative direction of our session, we'll reschedule at no cost in accordance with our above stated policy. In all cases, location and weather-related rescheduling decisions are at the sole discretion of the photographer.

Late arrivals

If you arrive late, we shoot less. If you arrive more than 30 minutes late, we consider it a cancellation and you forfeit your deposit.

Turnaround

Depending on the time of year and the scope of your shoot, you can expect proofs 1-2 weeks after your session. Retouched images are usually delivered 2-4 weeks after you've made your selections and paid for any extra images. Schedules may vary so please confirm delivery times when booking your session. Rush processing is available for a fee.

Advanced Retouching

Advanced retouching includes extensive hair retouching (including flyaways, frizziness, shape and volume, "nests," etc.), extensive skin retouching (moderate to heavy acne, scars), reshaping of clothing and any other retouching tasks not included in our standard package. What constitutes "advanced retouching" is at the discretion of the photographer, based on the time it takes to complete, and will incur an additional charge.

My current fee for advanced retouching is \$10 per photo.

Social media

I encourage posting of final (retouched) images on social media provided we are given credit. Posting of screen shots or unedited images, with or without watermarks, or images that have been colorized, distorted, filtered or changed in any way without our permission is not allowed.

Reshoots & Refunds

Photographs are artistic creations and interpretation is subjective. Because of this, we do not offer reshoots, revisions or refunds other than for technical failures or malfunctions that prevent us from delivering the agreed upon number of technically proficient images in clear focus. In the extremely rare case we can't deliver as outlined above, we'll refund or reshoot your session. We are not liable for any amount in excess of fees that have been paid.

How do I book?

Sessions are available daily. Weekends tend to fill first. If you have a date in mind, please mention it in your enquiry. To have your choice of days and times, it is best to book a month or two in advance.
